

CHEADLE & TEAN TIMES

On the 21st June 2017, The Tardis Surgery, Queen Street, Cheadle, held their annual PPG (Patients Participation Group) Awareness Day. This event is held annually, normally within the month of June and is part of NAPP, (National Association for Patients Participation). Cheadle Mayor Phillip Routledge, came along to offer his support and along with 3 others, became new members of the PPG group.

Also involved in the open day, were representatives from Beat The Cold/Fuel Poverty, Age UK, North Staffs Careers and Irene Abbotts a qualified Reiki practitioner. The event successfully helped several people with issues aligned to the services being offered which made the whole event extremely worth while. TARDIS representatives wished to thank the PPG group and all who were involved in making this day a success. We look forward to 2018!

If you are interested in the PPG please contact the Tardis on [01538 753771](tel:01538753771) and ask to speak to Susan Pyatt or Carol Burnett.
